MISSION BRIEFING

# WELCOME, PLAYER.

You already have what most people starting online don't: **hours of screen time, a squad that trusts you, and the patience to grind.** This playbook shows you how to point those strengths at a real side income, one level at a time.

**HOW TO USE** Work through one step at a time. Check off every box before moving on. Each step is worth XP. Hit 1,000 and you're ready to go.

**PRO MOVE** Print it or keep it open on your second monitor. Come back to the 30-Day Quest Log at the end every day.

# 03 STREAMS & DISCORD INTO INCOME

You don't need a huge following. You need **a few people who know, like and trust you**, the ones you already game with.

LIVE

## STREAMS

- Add a link in your panels & bio
- Mention it naturally during downtime
- Set a chat command like !sidequest

#

## DISCORD

- Make a #side-hustle channel
- Share wins, not pitches
- Host a weekly voice hangout

▶

## SHORT-FORM

- Clip your best plays
- Add a quick "how I fund my setup" hook
- Point to the link in your bio

◆ THE 80 / 20 RULE · 80% VALUE, 20% INVITE

For every 5 posts, 4 should be pure gaming content or personality. The 5th can invite people in. People follow players, not ads.

YOUR SQUAD LIST · 6 PEOPLE TO TELL FIRST

- [ ] Add your link to every bio & stream panel +50
- [ ] Create a side-hustle channel or thread in your community +50
- [ ] Fill out your squad list above +50

LEVEL 4 +100 XP

# 04 WHAT TO SAY (AND NOT)

Curiosity, not pressure. Your only job is to **get people to watch the presentation**. The video does the explaining.

## COPY-PASTE SCRIPTS

### OVERCHARGE · OPENER

"Random question. Would you be open to paying less on your monthly bills if it didn't change anything else? Found something interesting."

### PHOENIX · OPENER

"Have you heard about the new stem cell tech people are talking about? I've been looking into it for health and the income side. Want the video?"

### STREAM / CHAT

### ✓ DO

- Share your honest experience
- Let the video explain the details
- Ask questions and listen
- Respect a "no" every time

- [ ] Send your opener to 3 people from your squad list +50

LEVEL 5 +200 XP

# 05 LAND YOUR FIRST 3 WINS

Your first three wins are your tutorial level. They prove the system works, **build your confidence, and give you real stories to share.**

- [ ] Follow up with everyone who watched within 48 hours

# 07 LEVEL UP, DON'T BURN OUT

This is a long campaign, not a speedrun. Protect the three stats that keep you in the game, and **remember why you started.**

STAT
**ENERGY**

Sleep, hydrate, move. Your loop works better when you aren't running on fumes.

STAT
**FOCUS**

One path, one platform, one loop. Master it before adding more.

STAT
**MORALE**

Celebrate small wins. Track progress, not just results.

### SAVE POINTS

- Take one full rest day each week
- Mute notifications during real matches
- Review your progress every Sunday

### DEBUFFS TO AVOID

- Comparing your day 5 to someone's year 5
- Quitting after a few "no"s
- Doing everything at once

MY "WHY" · WRITE IT, KEEP IT VISIBLE

- [ ] Write down your "why" above +50
- [ ] Choose your weekly rest day: _____ +50
